Martha forwarded David Cozzie's agreement, so I've started working the letters for signature, hopefully I'll finish soon. We got direction last week to agree to expedited FAR if AED was OK with what happened at Options Selection last Thursday, so we discussed with Terry Dykes and agreed to the expedited FAR late Thursday afternoon. It was agreed at the OC weekly that we didn't need to do a package, a joint email from OC/AED would suffice. Let me know if you need anything else. Thanks.

Sara,

Also, Rick asked about expedited FAR for MM2A which was on last week's agenda. Did we get an answer on that? Does an email need to be sent or has it been sent? Can we remove it for this week?

Thanks.
